STAT

Dear Don:

Thanks for referring [redacted]
[redacted] to us. We were quite impressed
and will try to sponsor him for the CT
(Career Trainee) program. An arrange-
ment is being made for him to take the
PATB tests in New York. He appears to
be a good prospect for either the Daily
Reporting Division or the Analysis Group.
If he clears all the processing, we hope
he will qualify for the year's training
as a CT.

STAT

Best regards,
